1. All sub-grantees must comply with the National Incident Management System (NIMS) minimum requirements as specified in the Fiscal Year 2006 Homeland Security Grant Program Guidelines and Application Kit, page 47-48. By September 30, 2006, all jurisdictions must be fully NIMS compliant **throughout the entire grant period**. FY06 and FY07 Homeland Security grant funds are contingent on NIMS compliance.
2. All sub-grantees must comply and be familiar with Homeland Security Presidential Directive-8, with regards to the IED Scenario, as mandated by the Office of Domestic Preparedness.
3. All sub-grantees are required to modify their existing incident management and emergency operations plans in accordance with the National Response Plan’s coordinating structures, processes, and protocols.
4. All sub-grantees are required by the Office of Domestic Preparedness to use the Global Justice Data Model specifications and guidelines regarding the use of XML for all HSGP awards.
5. Prior to the obligation or expenditure of any funds awarded through this grant, the Sub-grantee (implementing agency designated by the Parish Needs Assessment Committee) must become a legal signatory of the Statewide Mutual Agreement, maintained by the STATE EMERGENCY MANAGEMENT AGENCY. Furthermore, the Parish Needs Assessment Committee must ensure and certify to the SAA (SAA AGENCY NAME) that the Parish Government of record remains a legally recognized signatory of the Statewide Mutual Aid Agreement and that any and all political subdivisions below the Parish level (city, town, other municipal government, or special purpose district) receiving direct or indirect benefit or support (excluding emergency response) from this Grant are also legal signatories of the Statewide Mutual Aid Agreement. The Sub-grantee and Parish Needs Assessment Committee agree and understand that by allowing any agency to receive direct or indirect support from these grant funds without becoming a legal signatory to the said agreement is a direct violation of the terms and conditions of this grant award.
6. All SHSP sub-grantees must fully engage citizens by expanding plans and task force memberships to address citizen participation; awareness and outreach to inform and engage the public; include citizens in training and exercise; and develop or expand programs that integrate citizen/volunteer support for the emergency responder disciplines.

8. The FCC has chosen the Project 25 suite of standards for voice and low-moderate speed data interoperability. In an effort to realize improved interoperability, all radios purchased under this grant should be APCO 25 compliant.
9. The Budget Worksheet and/or Budget Narrative pages for this grant need to be revised before obligation of any grant funds. Please contact Miss Friendly, Senior Accountant, at (XXX) XXX-XXXX for further clarification.
