Dates: August 8-11, 2011 (August 7th and 11th will be travel days.)

Course Time: *Monday start time will be 1:00 pm*
Tuesday – Thursday: 8:00 a.m. to 5:00 p.m.

Location: John Wesley Powell Museum
885 E. Main
Green River, Utah 84525

Course Information:

FEMA Region VIII will be hosting this course on August 8-11th, 2011. This course focuses on nuclear power plant off-site emergency preparedness. It addresses REP Program History, federal regulatory policies, development of plans, and public perceptions. This course provides a sound understanding of basic planning assumptions and policy issues. It fulfills requirements for REP stakeholders requiring the Planning Course.

**We ask that you please bring your own laptop to use during class exercises.

Prerequisites: IS-3, IS-235, IS-301, IS-100, IS-200, IS-700, IS-800, IS-836

Prerequisites are required to be completed before attending course and in order to receive a certificate. Please do not send copies of certificate, the prerequisites will be verified through EMI.

Recommended: IS-302, IS-812, IS-331, HSEEP
