MEMORANDUM FOR: Continuity Webinar Series Participants

FROM: FEMA National Continuity Programs
Continuity of Operations Division

SUBJECT: Announcement of the Cancellation of the September 2011 Continuity
Webinar Series

Dear Continuity Professional:

Due to the FEMA response and recovery assistance being provided across many states on the East Coast in the aftermath of Hurricane Irene and the demands on the emergency response and continuity community, the decision has been made to reschedule the fourth installment (September 7, 2011) of the Continuity Webinar Series. The National Continuity Programs (NCP) would like to thank each participant for your continued support of the Continuity Webinar Series and look forward to your future participation.

Our next Webinar is scheduled for October 5th, 2011 at 2:00 PM. Stay tuned for further information on the Webinar Series, and if you have any questions, email: Fema-ContinuityWebinar@dhs.gov.

Sincerely,

FEMA National Continuity Programs
