Early Alert System

State

Delaware

Event name

Notification/warning System for Special needs Community

Event description

This Delaware initiative achieved major milestones during September. A launch was scheduled but postponed. The System will provide emergency management and responders the capability to notify vulnerable populations of pending emergencies. This will afford emergency responders the capabilities to better assist the special needs community by knowing ahead of time what challenges they will face upon arrival from a 911 call. The system has the potential to serve as a reverse 911 system for our Special Needs Population.

State

Delaware

Event name

See Something Say Something Campaign

Event description

Delaware Citizen Corps provided partial funding for a statewide "See Something Say Something Campaign." This campaign was in line with DHS's national campaign and was done in partnership with Delaware's Secretary of Safety and Homeland Security, Delaware State Police and DEMA. Campaign messages were highlighted and included in all of Delaware's NPM outreach activities and materials, including Delaware Citizen Corps's disaster preparedness slide presentations.
