INTRODUCTION

Purpose

Emergency Support Function (ESF) #6 – Mass Care, Emergency Assistance, Housing, and Human Services coordinates the delivery of Federal mass care, emergency assistance, housing, and human services when local, tribal, and State response and recovery needs exceed their capabilities.

Authorities

- Robert T. Stafford Disaster Relief and Emergency Assistance Act (Public Law 93-288), as amended
- Homeland Security Act of 2002
- Post-Katrina Emergency Management Reform Act of 2006
- Pets Evacuation and Transportation Standards Act of 2006
- Public Health Service Act, as amended
- Social Security Act of 1935, as amended
- Americans With Disabilities Act of 1990

SCOPE

The Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA) coordinates and leads Federal resources, as required, to support local, tribal, and State governments and voluntary agencies (VOLAGs) in the performance of mass care, emergency assistance, housing, and human services missions.
When directed by the President, ESF #6 services and programs are implemented to assist individuals and households impacted by potential or actual disaster incidents. ESF #6 is organized into four primary functions: Mass Care, Emergency Assistance, Housing, and Human Services.

- **Mass Care:** Includes sheltering, feeding operations, emergency first aid, bulk distribution of emergency items, and collecting and providing information on victims to family members.

- **Emergency Assistance:** Assistance required by individuals, families, and their communities to ensure that immediate needs beyond the scope of the traditional “mass care” services provided at the local level are addressed. These services include: support to evacuations (including registration and tracking of evacuees); reunification of families; provision of aid and services to special needs populations; evacuation, sheltering, and other emergency services for household pets and services animals; support to specialized shelters; support to medical shelters; nonconventional shelter management; coordination of donated goods and services; and coordination of voluntary agency assistance.

- **Housing:** Includes housing options such as rental assistance, repair, loan assistance, replacement, factory-built housing, semipermanent and permanent construction, referrals, identification and provision of accessible housing, and access to other sources of housing assistance. This assistance is guided by the National Disaster Housing Strategy.

- **Human Services:** Includes the implementation of disaster assistance programs to help disaster victims recover their nonhousing losses, including programs to replace destroyed personal property, and help to obtain disaster loans, food stamps, crisis counseling, disaster unemployment, disaster legal services, support and services for special needs populations, and other Federal and State benefits.

**POLICIES**

ESF #6 will assist in coordination with impacted local, tribal, and State governments and communities without regard to race, color, national origin, religion, nationality, sex, age, disability, limited English proficiency, or economic status.

Duplication of effort and benefits will be reduced to the extent possible.

ESF #6 will support local, tribal, State, and Federal agencies, voluntary agencies and nongovernmental organizations, and ESF #8 – Public Health and Medical Services in addressing the functional needs of special needs populations, as defined in the National Response Framework (NRF) Glossary. Functional needs may be present before, during, or after an incident in one or more areas, including but not limited to:

- Maintaining independence.
- Communication.
- Transportation.
- Supervision.
- Medical care.

Individuals in need of additional response assistance may include those who have disabilities, who live in institutional settings, who are elderly, who are from diverse cultures, who have limited English proficiency or who are non-English speaking, who are children, or who are transportation disadvantaged.
The Federal response community recognizes the varying and special requirements of individuals that require and utilize the assistance of family members, personal assistants, and/or service animals and is committed to ensuring that the physical and mental health needs of these individuals are appropriately addressed and that the individuals and assistance providers remain together to the maximum extent possible during evacuation, transport, sheltering, or the delivery of other services. Service animals shall be treated as required by law (e.g., the Americans With Disabilities Act (ADA) of 1990).

The Federal response community recognizes the varying and special requirements of children and is committed to ensuring that the physical and mental health needs of children will be appropriately addressed, and that children will remain with their families or caregivers to the maximum extent possible during evacuation, transport, sheltering, or the delivery of other services.

CONCEPT OF OPERATIONS

General

DHS/FEMA will coordinate Federal response and recovery operations in close coordination with local, tribal, and State governments, VOLAGs, and the private sector. ESF #6 assistance is managed and coordinated at the lowest possible organizational level—e.g., the Joint Field Office (JFO) and the Regional Response Coordination Center (RRCC). Only requests that cannot be filled or issues that cannot be resolved at the RRCC/JFO levels are elevated to the National Response Coordination Center (NRCC) ESF #6 Branch for resolution.

Initial response activities will focus on immediate needs of victims.

Recovery efforts are initiated concurrently with response activities.

ORGANIZATION

Headquarters-Level ESF #6 Support – National Response Coordination Center (NRCC) ESF #6 Branch

When activated, ESF #6 reports to the NRCC Operations Section.

The NRCC ESF #6:

• Coordinates and resolves national-level ESF #6 issues.

• Addresses RRCC requests for additional ESF #6 support teams and de-conflicts multiple requests for limited resources.

• Contacts and activates national-level ESF #6 support agencies, as required.

• Provides consolidated reports on mass care, emergency assistance, housing, and human services activities to the NRCC Planning Section for inclusion in the national situation report.

• Distributes ESF #6 information to ESF #6 support agencies, as appropriate.
Headquarters-Level ESF #6 Support – National Processing Service Centers (NPSCs)

NPSCs provide registration intake services and process disaster assistance applications, including eligibility determinations for FEMA Individuals and Households Program. The NPSCs are managed by DHS/FEMA Individual Assistance Division.

DHS/FEMA will ensure that individuals and families evacuated or sheltered are afforded access to Federal disaster assistance, by providing access to the DHS/FEMA registration intake system. This includes access for individuals who may need alternate formats, sign language interpreters, or information presented in a language other than English.

Disaster victims may register for Disaster Assistance by phone, Internet, or in person at Mobile Registration Intake Centers (MRICs).

State-Level ESF #6 Support

The State designates an official(s) to coordinate with Federal mass care, emergency assistance, housing, and human services assistance. This official(s) will serve as the principal point(s) of contact with the RRCC ESF #6 Branch.

Regional-Level ESF #6 Support – Regional Response Coordination Center (RRCC) ESF #6 Branch

Upon activation, the RRCC ESF #6 Branch:

- Assesses the situation and identifies resource requirements in close coordination with State counterparts.

- Convenes regional ESF #6 support agencies.

- Provides ESF #6 liaisons to the Incident Management Assistance Team, JFO, and other DHS/FEMA or State facilities, as appropriate.

- Coordinates ESF #6 Federal resource requests with Federal departments and agencies at the regional level. Only requests that cannot be filled or issues that cannot be resolved at the RRCC/JFO levels are elevated to the NRCC for resolution.

- Contacts and activates regional ESF #6 support agencies, as required.

- Provides updated consolidated reports on mass care, emergency assistance, housing, and human services activities to the RRCC Planning Section for inclusion in regional situation reports.

- Distributes ESF #6 information to ESF #6 support agencies, as appropriate.

- Provides technical assistance to designated State lead agencies, as needed.

As the primary Federal agency for ESF #6, DHS/FEMA will identify initial needs and ensure that the requested and necessary support is in place for the ESF #6 support agencies to execute their missions to include: requests for assistance, activation of pre-scripted mission assignments, and issuance of mission assignments.
Liaisons from Federal support agencies and VOLAGs may assist the ESF #6 Branch at the RRCC and JFO, as necessary.

Field-Level ESF #6 Support – Joint Field Office (JFO) ESF #6 Branch

Once established, the JFO ESF #6 Branch:

- Supports local, tribal, and State governments and VOLAGs in the provision of mass care, emergency assistance, housing, and human services.
- Provides consolidated reports on mass care, emergency assistance, housing, and human services activities to the JFO Planning Section for inclusion in field Incident Action Plans and situation reports.
- Distributes ESF #6 information to ESF #6 support agencies, as appropriate.
- Reports on current mass care services and activities using data provided by the American Red Cross and local, tribal, State, Federal, and other voluntary agencies.
- Anticipates and identifies future requirements in coordination with local, tribal, State, and other Federal agencies.
- Monitors State requirement for the use of Federal-facilitated reunification systems (e.g., the National Emergency Family Registry and Locator System (NEFRLS) and the National Emergency Child Locator Center (NECLC)).
- Facilitates the process by which VOLAGs providing mass care services in affected State(s) request resource support from the Federal Government and the designated State lead agency for mass care.
- Coordinates with local, tribal, State, Federal, and voluntary agencies for additional shelter capacity, including accessible shelters.
- Develops an initial housing strategy, in coordination with local, tribal, and State leadership, DHS/FEMA Headquarters, and Federal support agencies.
- Coordinates with local, tribal, and State governments and VOLAGS to depopulate shelters as required and, when possible, plan for the return of evacuees, including evacuees with special needs, to their pre-disaster locations.

Staff from the ESF #6 primary and support agencies remain activated through the initial phase of recovery activities to ensure all response issues are addressed and to support the transition of related issues and responsibilities from mass care to housing.

FUNCTIONAL AREAS

Mass Care

Each State designates a lead State agency for mass care that works at the direction of the Governor to ensure mass care services are provided to the affected population.
Emergency Support Function #6 – Mass Care, Emergency Assistance, Housing, and Human Services
Annex

Local, tribal, and State governments in coordination with voluntary organizations will provide shelter, feeding, bulk distribution, emergency first aid, and disaster welfare information (DWI). DHS/FEMA, in its role as the ESF #6 lead, coordinates closely with the State to provide Federal mass care resources to support and augment mass care capabilities, when requested by the State.

- **Shelter:** Emergency shelter includes the use of designated shelter sites in existing structures within the affected area(s), as well as additional sites designated by local government. Shelter sites shall be selected to maximize accessibility for individuals with disabilities, whenever possible.

- **Feeding:** Feeding includes a combination of fixed sites, mobile feeding units, and bulk distribution sites.

- **Bulk Distribution:** Bulk distribution includes distribution of emergency relief items to meet urgent needs through sites established within the affected area(s). These sites are used to distribute food, water, or other commodities in coordination with local, tribal, State, and Federal governmental entities and voluntary agencies and other private-sector organizations.

- **Emergency First Aid:** Emergency first aid includes provision of basic first aid at mass care facilities and designated sites and referral to appropriate medical personnel and facilities.

- **Disaster Welfare Information:** DWI includes services related to the provision of information about individuals residing within the affected area to immediate family members outside the affected area. It may also include services related to the reunification of family members within the affected area.

ESF #6 may provide the following support to local, tribal, State governments, and VOLAGs, as requested by the State.

- **Emergency Feeding and Distribution:** ESF #6 will work in concert with Department of Agriculture (USDA) Food and Nutrition Service (FNS) and with local, tribal, and State governments and VOLAGs to distribute food and food supplies when their capabilities are in need of additional resources from the Federal Government, as determined by the State. This may include support to private-sector feeding operations, securing food commodities, developing feeding plans, and obtaining warehouse space.

- **Distribution of Emergency Relief Items:** ESF #6 will support local, tribal, State, and VOLAG points of distribution (PODs) for distribution of emergency relief items. Support may also include transportation, technical support, and other mission-critical items.

Emergency Assistance

DHS/FEMA coordinates resources and emergency assistance in support of local, tribal, and State governments, VOLAGs, and the private sector to augment their mass care response activities, as requested or directed.

- **Mass Evacuation:** The ESF #6 Branch, at the lowest available organizational level (e.g., JFO, RRCC, NRCC), may provide staff to support local, tribal, and State authorities with mass evacuation.

ESF #6 mass evacuation activities and requirements are identified and addressed in the Mass Evacuation Incident Annex to the NRF.
• **Facilitated Reunification:** When a mass evacuation process requires Federal support, DHS/FEMA will track information on individuals and families in an effort to assist with the reunification of separated family members. Tracking, locating, registering, and reuniting evacuees and survivors are activities performed at local, State, and Federal levels.

• **Household Pets and Service Animals:** ESF #6 ensures coordination of mass care services to provide for the safety and well-being of household pets and service animals during evacuations and sheltering. ESF #8 and ESF #11 - Agriculture and Natural Resources will ensure support to ESF #6 through an integrated response. ESF #11, under ESF #6, coordinates Federal support services for household pets and service animals during disasters. When requested by the State, ESF #6 will collaborate with ESF #8 and ESF #11 to ensure coordination of support to household pets and service animals.

The Federal response community recognizes the varying and special requirements of individuals that require and utilize service animals and is committed to ensuring that the physical and mental health needs of these individuals are appropriately addressed and that the individuals and service animals remain together to the maximum extent possible during evacuation, transport, sheltering, or the delivery of other services and in accordance with the requirements of the ADA.

• **General, Specialized, Medical, and Nonconventional Shelters:** ESF #6 will provide Federal assistance, resources, and technical assistance in support of local, tribal, and State governments, VOLAGs, and host States when conventional and nonconventional congregate care systems and shelter-in-place activities are in need of additional resources from the Federal Government, as determined by the State. Congregate care facilities are accessible to individuals with disabilities, whenever possible.

Nonconventional sheltering may include:

• Hotels, motels, and other single-room facilities.
• Temporary facilities such as tents, prefab module facilities, trains, and ships.
• Specialized shelters and functional and medical support shelters (through coordination with ESF #8 and the affected or host State).
• Support for other specialized congregate care areas that may include respite centers, rescue areas, and decontamination processing centers.

**National Shelter System**

The National Shelter System (NSS) is a web-based comprehensive database that provides information for shelters posted to the NSS during response to disasters and emergencies. Reports from the NSS will detail the location and capacities of shelters (evacuation, general, ADA compliant, pet friendly, medical, etc.) open, on stand-by, or closed. The information in the NSS is submitted by the local, tribal, State, and VOLAG entities operating these shelters.

• **Support to Unaffiliated Volunteers and Unsolicited Donations:** The Donations Management Unit at DHS/FEMA Headquarters supports tribal and State government management of volunteers and donated goods, as required.

The procedures, processes, and activities for Federal assistance to support spontaneous volunteers and unsolicited donations are defined in the Volunteer and Donations Management Support Annex.
Federal support to volunteer and donations management may include the following:

- A database system to manage and record offers of donated goods and services.
- Warehouse support for housing unsolicited donated goods.
- Coordination of unsolicited private and international donations.

**Voluntary Agency Coordination:** ESF #6 works in concert with local, tribal, and State governments, VOLAGs, faith-based organizations, and the private sector to facilitate an inclusive, multiagency, communitywide, and coordinated response and recovery effort.

ESF #6 works with local officials, private nonprofit organizations, the State, and others to establish a long-term recovery strategy to address the unmet needs of individuals and families, including those with special needs. ESF #6 may also coordinate with National Voluntary Organizations Active in Disaster (National VOAD) and international relief organizations to support the efforts of local voluntary agencies and faith-based organizations.

ESF #6 coordinates among nontraditional and newly formed voluntary agencies, existing social service agencies, and other government agencies with formal coalitions such as VOAD and Long-Term Recovery Committees. Nontraditional voluntary agencies include disaster response or recovery service providers that have not been involved with the planning and coordination efforts prior to a particular event. New voluntary agencies include groups that form in response to a particular event.

**Housing**

The National Disaster Housing Strategy defines the full scope of options for disaster housing assistance, including:

- **Temporary Roof Repair:** Quick repairs to damaged roofs on private homes. This assistance allows residents to return to and remain in their own homes while performing permanent repairs.

- **Repair Program:** Financial assistance to homeowners for repair of their primary residence, utilities, and residential infrastructure.

- **Replacement Program:** Financial assistance issued to victims to replace their destroyed primary residence.

- **Existing Housing Resources:** A centralized location for identified available housing resources from the private sector and other Federal agencies (i.e., Department of Housing and Urban Development (HUD), Department of Veterans Affairs (VA), and USDA properties).

- **Rental Assistance:** Financial assistance issued to individuals and families for rental of temporary accommodations.

- **Noncongregate Facilities:** Facilities that provide private or semiprivate accommodations, but are not considered temporary housing (e.g., cruise ships, tent cities, military installations, school dorm facilities, or modified nursing homes).

- **Transportation to Other Locations:** Assistance to relocate individuals and families outside of the disaster area where short- or long-term housing resources are available. Transportation services may include return to the pre-disaster location.
• **Permanent Construction**: Direct assistance to victims and families of permanent or semipermanent housing construction.

• **Direct Financial Housing**: Payments made directly to landlords on behalf of disaster victims.

• **Hotel/Motel Program**: Temporary accommodations for individuals and families in transition from congregate shelters or other temporary environments, but unable to return to their pre-disaster dwelling.

• **Direct Housing Operations**: Provision of temporary units, usually factory-built. This option is utilized only when other housing resources are not available. Units will be appropriate to the community needs and include accessible units.

• **Housing Resources** are available from the private sector, FEMA, and other Federal agencies (as described below).

  • **Small Business Administration (SBA) Disaster Loan Program**
    • Provides low-interest, long-term disaster loan assistance for qualified homeowners and renters, nonagricultural businesses of all sizes, and nonprofit organizations to fund the repair and replacement of disaster-damaged property.
    • Provides loan funds that also may include money for such things as relocation, mitigation, refinancing of existing liens, code-required upgrades, and one-year insurance premiums.

  • **Department of Housing and Urban Development (HUD)**
    • Provides access to and information on available habitable housing units, including housing units accessible to individuals with disabilities, owned, or in HUD possession, within or adjacent to the incident area for use as temporary housing.
    • Ensures that disaster victims who were receiving Section 8 Rental Assistance vouchers prior to the disaster are reintegrated into that program.
    • Provides available HUD staff to assist when needed with mass care and housing operations.
    • When requested and funded by FEMA, administers the Disaster Housing Assistance Program for eligible applicants.
    • Provides housing resources for individuals certified as eligible for long-term housing.
    • Provides access to housing counseling services.
    • Provides enforcement of the Fair Housing Act and compliance with other civil rights statutes.

  • **USDA – Rural Development (RD)**
    As part of the National Disaster Housing Strategy:
    • Provides information (location, type, owners, and/or management service) on USDA-financed, currently available, habitable housing units that are not under lease or under agreement of sale.
    • Provides available USDA (RD) staff to assist when needed with ESF #6.
    • Provides Letters of Priority Entitlement allowing the holder of the letter (identified evacuee and/or victim) to go to the top of any USDA MF 515 or 514 waiting lists for placement in USDA-financed housing.
    • Assists eligible recipients to meet emergency housing assistance needs resulting from Presidentially declared emergencies or major disasters.
Emergency Support Function #6 – Mass Care, Emergency Assistance, Housing, and Human Services

Annex

• VA
  • Provides available facilities suitable for mass shelter.
  • Provides assistance to veterans affected by disasters to help them avoid defaulting on existing home mortgages and/or foreclosure on their homes, as well as assistance for veterans with disabilities to retrofit their homes with necessary accessibility measures (e.g., wheelchair ramp).
  • Develops and maintains plans to make available housing assets that are habitable, to which VA has title and possession, for use by survivors in catastrophic disasters.

Human Services

Human Services provides assistance to address the nonhousing needs of individuals and families. This assistance falls into the following categories:

• Cora Brown Fund – DHS/FEMA: The Cora Brown Fund is used for uninsured or underinsured disaster-related needs of individuals or families who are unable to obtain adequate assistance from other local, tribal, State, and Federal government programs or from voluntary agencies. The fund is not intended to replace or supersede those programs; therefore, if assistance is available from another source, the Cora Brown Fund may not be used. Awards from this fund may be granted only at the discretion of FEMA.

• Crisis Counseling and Training – FEMA/Substance Abuse and Mental Health Services Administration (SAMHSA): The Crisis Counseling Assistance and Training Program provides immediate, short-term crisis counseling services. The program helps relieve grieving, stress, or mental health problems caused or aggravated by a disaster or its aftermath. Assistance provided is short term and is at no cost to the disaster victim.

• Other Needs Assistance (ONA) – DHS/FEMA: Awards help with medical, dental, funeral, personal property, transportation, moving and storage, and other expenses authorized by law (for uninsured or underinsured eligible applicants).

• Disaster Case Management – FEMA/Department of Health and Human Services (HHS): ESF #6 provides case management services, including financial assistance, through government agencies or qualified nonprofits to eligible individuals. Case management ensures that a sequence of delivery is followed to streamline assistance, prevent duplication of benefits, and provide an efficient referral system.

• HHS
  • Expedites claims for new Federal benefits.
  • Ensures continuity of services to beneficiaries, such as Medicaid, Temporary Assistance to Needy Families, Child Care, etc.
  • Supports States hosting relocated populations by extending existing programs and benefits or taking other actions as needed, consistent with program authorities.
  • Provides support and consultation to the primary agency in the development and provision of case management services, to include advocacy services.
  • Provides public health and medical support under ESF #8.

• Victims of Crime Assistance – Department of Justice (DOJ): Supports local, tribal, State, and Federal assistance to crime victim compensation in incidents resulting from terrorism or acts of criminal violence, as appropriate.
• **Disaster Unemployment Assistance (DUA) – Department of Labor (DOL):** Administered by the impacted State, DUA provides financial assistance to individuals whose employment or self-employment has been lost or interrupted as a direct result of a major disaster declared by the President, and who are not covered by regular unemployment insurance.

• **Department of the Treasury – Alcohol and Tobacco Tax and Trade Bureau (TTB):** Provides Federal alcohol and tobacco excise tax refunds to businesses that have lost assets in a disaster.

• **Department of the Treasury – Internal Revenue Service (IRS):** Provides tax counseling and assistance to taxpayers whose property has been damaged or lost in a federally declared disaster area.

• **Department of the Treasury – Bureau of the Public Debt**
  - Assists disaster victims by expediting replacement or redemption of U.S. Savings Bonds.
  - May waive the minimum holding period for Series EE and I Savings Bonds presented to authorized paying agents for redemption.

• **Veterans Assistance Program – VA**
  - Provides insurance settlements, adjustments to home mortgages, and death benefits.
  - Ensures continuity of services, such as pensions, to beneficiaries.

• **Social Security Administration (SSA)**
  - Ensures continuity of service to beneficiaries.

• **U.S. Postal Service (USPS):** Provides extended mail services to relocated populations.

• **Disaster Legal Services – American Bar Association (ABA)/Young Lawyers Program:** Disaster Legal Services provides free disaster legal services for low-income individuals who, prior to or because of the disaster, are unable to secure legal services adequate to meet their disaster-related needs.
