Fiscal Year (FY) 2011 Emergency Management Performance Grants (EMPG) Program Frequently Asked Questions (FAQs)

1. What is the purpose of the FY 2011 EMPG Program?

The EMPG Program provides resources to assist state, local, tribal and territorial governments in preparing for all hazards, as authorized by the *Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended* (42 U.S.C. 5121 et seq.). Title VI of the *Stafford Act* authorizes FEMA to make grants for the purpose of providing a system of emergency preparedness for the protection of life and property in the United States from hazards and to vest responsibility for emergency preparedness jointly in the federal government and the states and their political subdivisions. The federal government, through the EMPG Program, provides necessary direction, coordination, and guidance, and provides necessary assistance, as authorized in this title so that a comprehensive emergency preparedness system exists for all hazards.

As part of the FY 2011 EMPG Program, DHS-FEMA identified an overarching priority:

- **Advancing “Whole Community” Security and Emergency Management:** “Whole Community” fosters a national emergency management approach and considers all aspects of a community to effectively prepare for, protect against, respond to, recover from, and mitigate against any terrorist attack or natural disaster.
