

Open Space Profile

Buyout and Adjacent Areas

Describe the buyout area and areas adjacent to it. If your community has more than one buyout area, describe each area separately. (Make copies of these first two pages as necessary.)

Location of buyout area: _____

Size of buyout area: _____

Describe the area's natural features.

Describe the area's historic, archeological, and cultural features. Describe their significance to the community.

Buyout and Adjacent Areas (Continued)

Describe any services or infrastructure in place (e. g., sewer and water lines, utilities, streetlights, roads, sidewalks, stormwater drains, etc.).

Describe any improvements in place.

Describe the areas adjacent to the buyout area. For each, summarize its location in relation to the buyout area (e. g., north, south, northeast, southeast, etc.), primary use (e. g., residential, recreational, business, etc.), natural and developed features, population, connection to the buyout area, etc.

Existing Facilities and Programs

Describe all public recreational, educational, historical, cultural, etc. facilities and programs that currently exist within your community.

Facility/Program	Sponsor	Description	Location Relative to Buyout Area

Future Facilities and Programs

Describe all public recreational, educational, historical, cultural, etc. facilities and program initiatives that are being discussed, planned, or developed within your community.

Proposed Facility/Program	Sponsor	Description	Proposed Location Relative to Buyout Area

Local Regulations, Policies, and Plans

Summarize any local regulations, policies, and plans that might affect your open space planning and management (e. g., goals and objectives, restrictions, current and future development plans for adjacent areas, floodplain regulations, etc.).
