PROVISIONAL TOPOGRAPHIC ELEVATION CONTOUR MAP

Harrison County, MS

Date of Map: December 15, 2005

Map Number: MS-K22

Data Sources:
Aerial Imagery: USDA, National Agriculture Imagery Program, 2006
Topographic Data: The NOAA Coastal Services Center purchased the Hancock County and Jackson County data from EarthData. The State of Mississippi purchased the Harrison County data from EarthData International, and permitted these data to be used by FEMA in the Hurricane Katrina recovery mapping effort.

Notes:
2. These data have not been verified and may contain errors. Elevation contours may not represent the true ground surface in some locations. This is due to artifacts of lidar data collection, such as trees and buildings, and/or erroneous point data. The final verified data will be available in late December 2005 or January 2006 from the NOAA Coastal Services Center.

For insurance rating purposes, refer to the currently effective Flood Insurance Rate Maps (FIRMs), available from your local government or the FEMA Map Service Center (1-800-358-9616; http://www.fema.gov)
