Ribbon Cutting for Boothville-Venice Fire Station

A ribbon cutting ceremony was held on Sept. 10 at the Boothville-Venice Fire Station in Plaquemines Parish. To date, FEMA has obligated \$6.7 million for the replacement of the fire station that was destroyed during Hurricane Katrina.

Ribbon Cutting for Port Sulphur Fire Station/EMS

A ribbon cutting ceremony was held at the Port Sulphur Fire Station/EMS building on Sept. 3. The new facilities are built to current codes and standards and all electrical and mechanical components have been mitigated to reduce the risk of future potential flood damage. To date, FEMA has obligated \$6.2 million for the replacement of the fire station and over \$313,000 to replace destroyed contents.

Housing Update

Katrina/Rita: 655 occ. Units; Gustav/Ike: 225 occ. units

FEMA's mission is to support our citizens and first responders to ensure that as a nation we work together to build, sustain, and improve our capability to prepare for, protect against, respond to, recover from, and mitigate all hazards.
