

FEMA

National Disaster Recovery Framework Stakeholder Engagement Seminar

Strengthening Disaster Recovery for the Nation

Please join us in a presentation and discussion of the NDRF and how the framework's principles and concepts can be used in your community.

Thursday, March 1, 2012

9:00 a.m. to 5:00 p.m.

7:30 a.m. Registration Opens

Joe R. Hooper U.S. Army Reserve Center
130 A 228th Street, SW
Bothell, WA 98021

No cost to attend. Lunch and travel is on your own.

Created in line with the vision set forth in the Presidential Policy Directive on National Preparedness (PPD-8), the NDRF provides guidance that enables effective recovery support to disaster-impacted states, local, tribal, and territorial jurisdictions. It provides a flexible structure that enables disaster recovery managers to operate in a unified and collaborative manner. The NDRF focuses on how best to restore, redevelop and revitalize the health, social, economic, natural and environmental fabric of a community and build a more resilient Nation.

We encourage you to download and review a copy of the NDRF at
www.fema.gov/recoveryframework

Pre-Registration Required. To register, please send an email to: NDRF-Registration-R10@fema.dhs.gov and include "REQUEST REGISTRATION INVITE" in the Subject Line. You will then receive a registration email with the instructions that include selecting your first and second choices to participate in the Recovery Support Functions' Breakout Sessions. Space is very limited and is being filled first-come, first-served.
