

Announcement of Public Notice

Release Date: October 4, 2019

JEFFERSON CITY, Mo. – The Federal Emergency Management Agency (FEMA) is required by law to provide public notice of its intent to provide federal assistance and grant opportunities via the Public Assistance (PA), Individual Assistance (IA), or Hazard Mitigation Grant (HMGP) programs.

A public notice for the current disaster recovery mission is attached and posted on the following website: [PUBLIC NOTICE - MISSOURI FEMA-4451-DR-MO](#)

This public notice addresses the agency's intention to reimburse eligible applicants for costs to repair or replace facilities damaged by the April 29-July 5, 2019 severe storms and flooding in Missouri. This public notice concerns activities that may affect historic properties, activities that are located in or may affect wetland areas or the 100-year floodplain, and critical actions within the 500-year floodplain. The notice describes the agency's legal requirement to include the public in its evaluation of proposed activities' impact to or by floodplains and wetlands; and effects to historic resources.

This may be the only public notice provided regarding these FEMA actions. Information about assistance projects may be obtained by submitting a written request to the Regional Administrator, DHS-FEMA Region VII; 11224 Holmes Road; Kansas City, MO 64131. The information may also be obtained by calling: (816) 283-7060, between the hours of 8 a.m. and 4:30 p.m. Central Time, Monday through Friday. Comments should be sent in writing to the Regional Administrator, at the above address, within 15 days of the date of publication of this Notice.
