

President Donald J. Trump Approves Major Disaster Declaration for American Samoa

Release Date: April 17, 2020

WASHINGTON — FEMA announced that federal emergency aid has been made available to the territory of American Samoa to supplement territorial and local recovery efforts in the areas affected by the Coronavirus Disease 2019 (COVID-19) pandemic beginning on Jan. 20, 2020 and continuing.

Federal funding is available to territorial and eligible local governments and certain private nonprofit organizations on a cost-sharing basis for emergency protective measures (Category B), including direct federal assistance under Public Assistance, for all areas affected by COVID-19 at a federal cost share of 75 percent.

Robert Fenton has been named as the Federal Coordinating Officer for federal recovery operations in the affected area. Additional designations may be made at a later date if requested by the state and warranted by the results of further assessments.
