

FEMA Issues Public Notice: Alligator Drive

Release Date: July 10, 2020

PANAMA CITY, Fla. — A public notice is now available that addresses the Federal Emergency Management Agency's (FEMA) intention to reimburse eligible applicants for costs to repair or replace facilities damaged by Hurricane Michael (FEMA-DR-4399-FL) occurring October 7, 2018 to October 19, 2018.

This notice concerns the Public Assistance (PA) project for Alligator Drive road repairs in Alligator Point, Franklin County, Florida, with hazard mitigation protection to prevent future storm erosion damage.

The notice is now posted on FEMA's disaster declaration website at <https://www.fema.gov/disaster/notices/dr-4399-fl-public-notice-003-alligator-drive>.

FEMA has prepared a Supplemental Environmental Assessment (SEA), which may be viewed at these locations:

A hard copy of the SEA is available at the Franklin County Planning Office, located at 34 Forbes St., Apalachicola, FL 32320, during normal business hours.

This will be the only public notice provided. Interested persons may obtain information about these actions or a specific project by writing to the Federal Emergency Management Agency – Region IV - EHP, 3003 Chamblee Tucker Rd, Atlanta, GA 30341-4112, or via email to FEMA-R4EHP@fema.dhs.gov. Please include in the subject line of the email, “FL-4337-PW-01152, Franklin County.” Comments should be sent in writing to the above address within 30 days of the date of this notice.

FEMA is required by law to provide public notice of its intent to provide federal assistance and grant opportunities through the Public Assistance (PA), Individual Assistance (IA), or Hazard Mitigation Grant (HMGP) programs.
