

Photos of Whole-of-America COVID-19 Response Volume 37

Release Date: May 11, 2020

WASHINGTON — The whole-of-America response to fighting the COVID-19 pandemic continued through the weekend and today, as a much-needed donation of PPE arrived from the Republic of Korea and an alternate care facility opened in Washington, D.C.

National Guardsmen continued their support in Ohio and Florida, while COVID-19 antibody testing began in California.

Meanwhile, FEMA continues coordinating Project Airbridge flights for critical medical supplies distribution. As of May 10, Project Airbridge has completed 130 flights with more than 40 scheduled or in transit. Two flights landed Sunday, one each in Chicago and New York. Two flights are scheduled to land in Chicago today.

Through Project Airbridge, the following supplies have been delivered from overseas manufacturers to the U.S. and into private sector supply chains from March 29 to May 10:

- More than 1.3 million N-95 masks.
- More than 921 million gloves.
- More than 91 million surgical masks.
- More than 15.9 million surgical gowns.
- More than 2.3 million thermometers.
- Nearly 1 million face shields.
- More than 392,000 coveralls.
- More than 109,000 stethoscopes.
- More than 370,000 oxygen masks.
- More than 250,000 swabs.
- More than 160,000 swabs.
- More than 160,000 cannulas.
