week. Those who use a relay service such as a videophone, InnoCaption or CapTel should provide FEMA with their specific phone number assigned to that service.

The following information is necessary when you register:

- Address of the damaged dwelling where the damage occurred (pre-disaster address)
- Current mailing address
- Current telephone number
- Insurance information
- Total household annual income
- Routing and account number for checking or savings account (this allows FEMA to directly transfer disaster assistance funds into a bank account)
- A description of disaster-caused damage and losses
