

# Keep Your Recovery Options Open with Help from SBA

---

Release Date: November 13, 2020

**BATON ROUGE, La.** — After you have registered with FEMA, the agency may refer you to the U.S. Small Business Administration (SBA), our federal partner.

SBA offers low-interest disaster loans to Louisiana residents and businesses affected by recent storms. Homeowners and renters who receive an application for an SBA loan should complete the application even if they decide not to take the loan.

If SBA finds applicants ineligible for a disaster loan, they may be referred back to FEMA for potential additional grant assistance. Survivors who have been referred to SBA for low-interest loans and do not apply will not be considered for FEMA's other needs grants.
