Temporary Housing

- Lincoln is one of four Oregon counties approved to participate in FEMA’s Direct Temporary Housing Program.
- FEMA is negotiating a lease of privately owned property on which to build a group site for 21 MHUs, which will provide temporary housing for eligible Lincoln County survivors and their families.
- Temporary housing is provided one of two ways: recreational vehicles (RVs) and Manufactured Housing Units (mobile homes).

- Survivor housing units are chosen by FEMA based on the survivor family composition and needs, as well as to ensure that requirements for access or functional needs are met.
- Ongoing participation in the program, which can last until March 2022, depends on each survivor's efforts to find a permanent housing solution and following the rules established by the park and FEMA.
