

President Joseph R. Biden, Jr. Approves Major Disaster Declaration for West Virginia

Release Date: May 13, 2021

WASHINGTON -- FEMA announced federal disaster assistance has been made available to the state of West Virginia to supplement state and local recovery efforts in the areas affected by severe winter storms from Feb. 10-16, 2021.

Federal funding is available to state and eligible local governments and certain private nonprofit organizations on a cost-sharing basis for emergency work and the repair or replacement of facilities damaged by the severe winter storms in Cabell, Lincoln, Mason, Putnam and Wayne counties.

Federal funding is also available on a cost-sharing basis for hazard mitigation measures for the entire state.

Jeffrey L. Jones has been named as the Federal Coordinating Officer for federal recovery operations in the affected areas. Additional designations may be made at a later date if requested by the state and warranted by the results of further assessments.
