

# Hurricane Ida Survivors: Take Precautions Ahead of Tropical Storm Nicholas

---

**Release Date: September 13, 2021**

**BATON ROUGE, La.** – FEMA wants to remind Louisiana residents and survivors of Hurricane Ida to take precautions ahead of Tropical Storm Nicholas.

According to the National Weather Service, the storm may bring heavy rains and flash flooding, in addition to strong wind gusts and storm surge. Keep in mind that storm track, size, intensity and direction can change. Areas far from the storm's center can experience effects such as flooding, intense rainfall and heavy winds.

Stay alert to weather warnings, monitor your local news for updates and listen to your local officials. Please be safe and watch for emergency alerts and real-time safety notifications on evacuations.
