The primary source of federal funding for long-term disaster recovery not covered by insurance is the Small Business Administration. SBA offers disaster assistance in the form of low interest loans to businesses, nonprofit organizations, homeowners, and renters. SBA also provides eligible small businesses and nonprofit organizations with working capital to help overcome an economic injury.

Homeowners, renters and businesses that were affected by Hurricane Ida may apply for disaster loans using SBA's secure website at [disasterloanassistance.sba.gov/ela/s/](https://disasterloanassistance.sba.gov/ela/s/), and should apply under SBA declaration **#17143**.
