You do not need to visit a center to apply with FEMA

If you are unable to visit one of the centers, there are other ways to apply: You can apply online at DisasterAssistance.gov, by calling 800-621-3362, or by using the FEMA mobile app. If you use a relay service, such as video relay (VRS), captioned telephone or other service, give FEMA the number for that service.

When you apply, you will need to provide:

- A current phone number where you can be contacted.
- Your address at the time of the disaster and the address where you are now staying.
- Your Social Security Number.
- A general list of damage and losses.
- Banking information if you choose direct deposit.
- If insured, the policy number or the agent and/or the company name.

The deadline to apply for federal assistance is Feb. 11, 2022.
