---

**Release Date: October 12, 2022**

**San Juan, Puerto Rico** — Additional Disaster Recovery Centers (DRC) are now open in Aguas Buenas, Arecibo, Isabela and San Germán. The joint DRCs, a partnership between the municipality, the Government of Puerto Rico and FEMA, will help Hurricane Fiona survivors apply for FEMA assistance, upload documents needed for their application and answer questions in person.

All 25 FEMA Disaster Recovery Centers will be open **7 days a week 7 a.m. to 6 p.m.**

Representatives from the U.S. Small Business Administration (SBA) are on hand at the DRC to provide program information and explain how to apply for SBA's low-interest disaster loans for homeowners, businesses, private nonprofits and renters, and provide information about repairs and rebuilding to make homes more disaster resistant.

Services are provided in English and Spanish. If you need a reasonable accommodation or a sign language interpreter to communicate with FEMA, please send an email to [FEMA-PRaccessible@fema.dhs.gov](mailto:FEMA-PRaccessible@fema.dhs.gov). You can also call 1-833-285-7448, press 2 for Spanish.
