

FEMA Share Tips About Rebuilding and Protecting Homes from Future Disaster-Related Damage

Release Date: January 4, 2023

San Juan, Puerto Rico — Disaster survivors who are repairing their homes after Hurricane Fiona can visit Walmart in Canóvanas and Manatí, Home Depot in Bayamón and [National Lumber hardware stores in](#) Adjuntas, Añasco, Gurabo, Juana Díaz and Villalba to talk with FEMA mitigation specialists about their damage and discuss how to make homes stronger and safer during the rebuilding process.

FEMA mitigation specialists will share tips about rebuilding and protecting homes from future disaster-related damage, such as high winds and water. They will also provide information on topics such as selecting contractors, understanding flood insurance coverage and emergency preparedness. No appointment is needed.

FEMA mitigation specialists will be available at the following locations from **8 a.m. to 5 p.m., Jan. 9 – 14**. Puerto Rican Sign Language (PRSL) interpreters will be available.
