

# Clean and Sanitize Assistance Available for Flood-Damaged Homes

---

**Release Date: July 30, 2023**

If your home was damaged by Vermont's recent floods but you can still live in it safely, FEMA may be able to provide up to \$300 to help with cleanup. This Clean and Sanitize Assistance is intended to help homeowners and renters quickly address contamination from floodwaters to prevent additional losses and safety concerns.

You may qualify for Clean and Sanitize Assistance if:

- You live in Caledonia, Chittenden, Lamoille, Orange, Orleans, Rutland, Washington, Windham or Windsor County.
- Based on a FEMA inspection, your home has disaster damage; or, if you are a renter, the inspection notes cleanup actions are needed or have already been done.
  - If you have already cleaned up, save your receipts from any supplies, materials or paid help.
- The damage is not covered by your insurance.
- FEMA determines your disaster-damaged primary residence is safe to occupy.
