

# FEMA Assistance for Primary Homes Only

---

**Release Date: April 3, 2024**

Mainers affected by the storms and flooding that took place from January 9-13 may be eligible for grants to repair or rebuild their primary residence. Your primary residence is where you live more than six months of the year. Second homes, vacation homes or homes used as vacation rentals (such as through Airbnb or VRBO) do not qualify for assistance.

Those who are unable to live in their primary residence because of disaster damage may be eligible for temporary housing assistance. Other assistance may include repair or replacement of disaster-damaged personal property and vehicles or funds for moving and storage, medical, dental, childcare or other necessary expenses incurred as a result of the disaster.

Low-interest long-term disaster loans through the U.S. Small Business Administration (SBA) may be available to help rebuild or repair your second home, vacation home or home used as short-term rental property. The SBA is the largest source of federal disaster recovery funds for survivors and provides disaster loans up to \$500,000 to repair or replace damaged or destroyed real estate.

Residents with damage in the following federal designated counties are eligible to apply for FEMA and SBA assistance: **Cumberland, Hancock, Lincoln, Knox, Sagadahoc, Waldo, Washington and York**

Survivors may apply online for a low-interest disaster loan at [SBA.gov/disaster](https://www.sba.gov/disaster). Call SBA's Customer Service Center at (800) 659-2955 or email [disastercustomerservice@sba.gov](mailto:disastercustomerservice@sba.gov) for more information on SBA disaster assistance.
