The deadline to apply for assistance is **May 20**.

DRCs provide disaster survivors with information from state agencies, FEMA, and the U.S. Small Business Administration. Survivors can get help applying for federal assistance and disaster loans, update applications and learn about other resources available.

All centers are accessible to people with disabilities and access and functional needs and are equipped with assistive technology equipment. If you need a reasonable accommodation or sign language interpreter, please let a FEMA specialist at the center know.

Residents don't need to visit a DRC to apply for FEMA assistance. To apply without visiting a center, register with FEMA in one of the following ways: Call **1-800-621-3362**. Phone lines operate from **7 a.m. to 1 a.m.** seven days a week. Help is available in most languages. If you use video relay service (VRS), captioned telephone service or others, give FEMA your number for that service. Online at [DisasterAssistance.gov](https://DisasterAssistance.gov) (also in Spanish). Or download the [FEMA Mobile App](#). (also in Spanish), available at Google Play or the Apple App Store.
