

FEMA Disaster Recovery Centers Opening in Ringgold, Union and Clarke Counties

Release Date: May 25, 2024

A FEMA Disaster Recovery Center will be open from 1-7 PM on May 25 in Ringgold County to help survivors who experienced loss or damage to their homes or personal property from the April 26-27 tornadoes. We can help with questions about disaster assistance programs, who is eligible for assistance, what kind of things FEMA can help with or what the status is with an application already filed. We can help you with an application or even upload documents for you if they are needed to complete your application.

The Disaster Recovery Center (DRC) will be open on a temporary basis and will rotate to other designated counties. Recovery specialists from FEMA and the U.S. Small Business Administration will provide information on available services, explain assistance programs and help survivors complete or check the status of their applications.

The DRC will be at each location for 4 days.

Disaster Recovery Centers are physically accessible to people with disabilities and others with access and functional needs. They are equipped with assistance

and adaptive technology such as amplified phones, caption phones, video phones, wheelchair ramps and other resources to help ensure all applicants can access resources.

Disaster recovery assistance is available without regard to race, color, religion, nationality, sex, age, disability, English proficiency, or economic status. If you or someone you know has been discriminated against, call FEMA toll-free at 833-285-7448. If you use a relay service, such as video relay service (VRS), captioned telephone service or others, give FEMA the number for that service. Multilingual operators are available (press 2 for Spanish and 3 for other languages).
