If you have received a letter from FEMA about your application status, visit a DRC to learn more about next steps. DRC staff can help you submit additional information or supporting documentation for FEMA to continue to process your application and answer any questions you may have.

Survivors do not have to visit a Disaster Recovery Center (DRC) to register with FEMA. If it is not possible to visit a DRC, call 800-621-FEMA (3362). The toll-free telephone line operates from 7 a.m. to 11 p.m., seven days a week. If you use a relay service, such as video relay service (VRS), captioned telephone service or others, give FEMA the number for that service.
