

Transitional Sheltering Assistance Now Available Rio Arriba and San Juan Counties

Release Date: August 12, 2024

FEMA Transitional Sheltering Assistance (TSA) is now available to eligible households in **Rio Arriba** and **San Juan** counties, who have experienced disaster-damage to their homes. San Juan and Rio Arriba join **Lincoln** and **Otero** counties as well as the **Mescalero Apache Reservation** in accessing this assistance as a result of the South Fork and Salt fires and flooding.

Residents in these impacted areas who have applied to FEMA for federal disaster assistance may be eligible to stay temporarily in a hotel or motel paid for by FEMA. Applicants do not need to request this assistance but must apply to FEMA to determine their eligibility. FEMA will notify them of their eligibility through an automated phone call, text message, and/or email, depending upon the method of communication they selected at the time they applied for disaster assistance.

Applicants may be eligible if they cannot return to their disaster-damaged home and their housing needs cannot be met by insurance, shelters or rental assistance provided by FEMA or another agency.

Under the TSA program, FEMA pays the cost of room, taxes and non-refundable pet fees directly to participating hotels and motels. Pet fees will only be paid up to the approved limit of assistance for individual rooms. Residents are responsible for all other costs, including laundry, restaurant/room service, parking, telephone, or movie rental.

TSA is available for eligible residents at participating properties in the State of New Mexico and El Paso County in Texas. FEMA will conduct regular reviews of registrants' eligibility for continued TSA. When their eligibility ends, residents will be given seven days' notice by FEMA prior to their checkout date. Registrants who meet the conditions of continued eligibility may remain in TSA through the next eligibility period.
