FEMA financial assistance may include money for basic home repairs, personal property losses or other uninsured, disaster-related needs, such as childcare, transportation, medical needs, funeral or dental expenses.

It is not necessary to go to a center to apply for FEMA assistance. The fastest way to apply is online at DisasterAssistance.gov or via the [FEMA app](#). You may also call 800-621-3362. If you use a relay service, such as video relay, captioned telephone or other service, give FEMA your number for that service.
