

# Disaster Recovery Centers and SBA Centers in South Texas Closed for Fourth of July Holiday

---

**Release Date: June 30, 2025**

**AUSTIN, Texas** – FEMA and the U.S. Small Business Administration announced today that the Disaster Recovery Centers (DRCs) and Business Recovery Centers (BRCs) opened in South Texas communities impacted by severe storms and flooding that occurred March 26-28, 2025, will temporarily close this week.

**DRCs will be closed on Friday, July 4, and Saturday, July 5, for the Fourth of July Holiday. SBA BRCs will be closed Friday, July 4.**

In coordination with the Texas Division of Emergency Management (TDEM), FEMA and SBA have been staffing DRCs to offer face-to-face help to residents of the four South Texas counties affected by the March weather event.

Additionally, SBA representatives, in partnership with FEMA and TDEM, are providing one-on-one assistance to disaster loan applicants at SBA's BRCs throughout the affected areas.

Homeowners and renters in **Cameron, Hidalgo, Starr and Willacy counties** may be eligible for FEMA assistance for losses not covered by insurance.

FEMA and SBA support state-led recovery efforts at the DRCs. Staff can help survivors apply for federal assistance. They can also identify potential needs and connect survivors with local, state and federal agencies, as well as nonprofits and community groups.
