

Kerr County Texans Affected by Severe Storms and Flooding July 2 and Continuing Can Apply for Possible FEMA Assistance

Release Date: July 6, 2025

AUSTIN – FEMA is supporting state and local recovery efforts for Texas homeowners and renters in **Kerr County** who sustained damage from the severe storms, straight-line winds and flooding that occurred July 2, 2025, and continuing.

Financial assistance is available to eligible homeowners and renters in Kerr County. FEMA may be able to help with serious needs, displacement, temporary lodging, basic home repair costs, personal property loss or other disaster-caused needs.

Survivors with homeowners, renters' or flood insurance should file a claim first. By law, FEMA cannot duplicate benefits for losses covered by insurance. If your policy does not cover all your damage expenses, you may then be eligible for federal assistance.

Public Assistance federal funding is also available to state and eligible local governments and certain private nonprofit organizations. This assistance is available on a cost-sharing basis for emergency work and the repair or replacement of facilities damaged by the severe storms, straight-line winds and flooding in Kerr County.
