

# New Mexicans Can Now Apply for Possible FEMA Assistance After Severe Storms, Flooding and Landslides

---

**Release Date:** July 24, 2025

**SANTA FE, New Mexico** – FEMA is supporting state and local recovery efforts for New Mexicans in **Lincoln County** who sustained damage from the severe storms, flooding and landslides that began June 23, 2025, and continuing.

Financial assistance is available to eligible homeowners and renters in Lincoln County. FEMA may be able to help with serious needs, displacement, basic home repair costs, personal property loss or other disaster-caused needs.

Residents with homeowners, renters or flood insurance should file a claim first. By law, FEMA cannot duplicate benefits for losses covered by insurance. If your policy does not cover all your damage expenses, you may then be eligible for federal assistance.
