

Preliminary Damage Assessment Report

Kentucky – Severe Storms, Tornadoes, Flooding, Landslides, and Mudslides

FEMA-4361-DR

Declared April 26, 2018

On April 10, 2018, Governor Matthew G. Bevin requested a major disaster declaration due to severe storms, tornadoes, flooding, landslides, and mudslides during the period of February 21 to March 21, 2018. The Governor requested a declaration for Individual Assistance for six counties, Public Assistance for 35 counties, and Hazard Mitigation for the entire commonwealth. During the period of March 19-30, 2018, joint federal, commonwealth, and local government Preliminary Damage Assessments (PDAs) were conducted in the requested counties and are summarized below. PDAs estimate damages immediately after an event and are considered, along with several other factors, in determining whether a disaster is of such severity and magnitude that effective response is beyond the capabilities of the commonwealth and the affected local governments, and that Federal assistance is necessary.¹

On April 26, 2018, President Trump declared that a major disaster exists in the Commonwealth of Kentucky. This declaration made Public Assistance requested by the Governor available to commonwealth and eligible local governments and certain private nonprofit organizations on a cost-sharing basis for emergency work and the repair or replacement of facilities damaged by the severe storms, tornadoes, flooding, landslides, and mudslides in Boyd, Bullitt, Butler, Caldwell, Campbell, Carlisle, Carroll, Carter, Crittenden, Fulton, Gallatin, Grant, Graves, Greenup, Hancock, Hardin, Henderson, Henry, Hickman, Jefferson, Kenton, Lawrence, Livingston, McCracken, McLean, Metcalfe, Ohio, Owen, Spencer, Trigg, Trimble, Union, Washington, and Webster Counties. This declaration also made Hazard Mitigation Grant Program assistance requested by the Governor available for hazard mitigation measures for the entire commonwealth.²

Summary of Damage Assessment Information Used in Determining Whether to Declare a Major Disaster

Individual Assistance

- Total Number of Residences Impacted:³ 378
 - Destroyed - 23
 - Major Damage - 160
 - Minor Damage - 80
 - Affected - 115

- Percentage of insured residences:⁴ 32.5%

- Percentage of low income households:⁵ 45.4%
- Percentage of ownership households:⁶ 84.3%
- Total Individual Assistance cost estimate: \$802,177

Public Assistance

- Primary Impact: Damage to roads and bridges
- Total Public Assistance cost estimate: \$24,726,412
- Statewide per capita impact:⁷ \$5.70
- Statewide per capita impact indicator:⁸ \$1.46
- Countywide per capita impact: Boyd County (\$35.10), Bullitt County (\$6.02), Butler County (\$34.00), Caldwell County (\$11.94), Campbell County (\$3.93), Carlisle County (\$72.28), Carroll County (\$222.44), Carter County (\$18.08), Christian County (\$0.00), Crittenden County (\$9.45), Fulton County (\$7.59), Gallatin County (\$75.65), Grant County (\$9.77), Graves County (\$69.92), Greenup County (\$8.31), Hancock County (\$12.63), Hardin County (\$7.23), Henderson County (\$37.12), Henry County (\$8.17), Hickman County (\$22.07), Jefferson County (\$5.49), Kenton County (\$5.13), Lawrence County (\$26.21), Livingston County (\$134.78), McCracken County (\$6.56), McLean County (\$12.32), Metcalfe County (\$16.09), Ohio County (\$49.85), Owen County (\$97.32), Spencer County (\$30.05), Trigg County (\$5.30), Trimble County (\$29.50), Union County (\$38.13), Washington County (\$37.67), and Webster County (\$12.23).
- Countywide per capita impact indicator:⁹ \$3.68

¹ The Preliminary Damage Assessment (PDA) process is a mechanism used to determine the impact and magnitude of damage and resulting needs of individuals, businesses, public sector, and community as a whole. Information collected is used by the State as a basis for the Governor’s request for a major disaster or emergency declaration, and by the President in determining a response to the Governor’s request (44 CFR § 206.33).

² When a Governor’s request for major disaster assistance under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended (Stafford Act) is under review, a number of primary factors are considered to determine whether assistance is warranted. These factors are outlined in FEMA’s regulations (44 CFR § 206.48). The President has ultimate discretion and decision making authority to declare major disasters and emergencies under the Stafford Act (42 U.S.C. § 5170 and § 5191).

³ Degree of damage to impacted residences:

- Destroyed – total loss of structure, structure is not economically feasible to repair, or complete failure to major structural components (e.g., collapse of basement walls/foundation, walls or roof);
- Major Damage – substantial failure to structural elements of residence (e.g., walls, floors, foundation), or damage that will take more than 30 days to repair;
- Minor Damage – home is damaged and uninhabitable, but may be made habitable in short period of time with repairs; and
- Affected – some damage to the structure and contents, but still habitable.

⁴ By law, Federal disaster assistance cannot duplicate insurance coverage. 42 U.S.C. § 5155 and 44 C.F.R. § 206.48(b)(5).

⁵ Special populations, such as low-income, the elderly, or the unemployed may indicate a greater need for assistance. 44 C.F.R. § 206.48(b)(3).

⁶ Ibid. 44 C.F.R. § 206.48(b)(3).

⁷ Based on State population in the 2010 Census.

⁸ Statewide Per Capita Impact Indicator for FY18, *Federal Register*, October 1, 2017.

⁹ Countywide Per Capita Impact Indicator for FY18, *Federal Register*, October 1, 2017.
