Fiscal Year 2020 Tribal Homeland Security Grant Program

Overview

The Fiscal Year (FY) 2020 Tribal Homeland Security Grant Program (THSGP) is one of three grant programs that constitute the Department of Homeland Security (DHS)/Federal Emergency Management Agency's (FEMA's) focus on enhancing the ability of state, local, tribal and territorial governments, as well as nonprofits, to prevent, protect against, respond to, and recover from terrorist attacks. These grant programs are part of a comprehensive set of measures authorized by Congress and implemented by DHS to help strengthen the nation's communities against potential terrorist attacks.

In Fiscal Year 2020, DHS is providing \$15 million to enhance the ability of tribal nations to prevent, protect against, respond to, and recover from potential terrorist attacks and other hazards.

Funding

In FY 2020, the total amount of funds under the THSGP, as a carveout of the FY 2020 State Homeland Security Program (SHSP), is \$15 million. FY 2020 THSGP funds are allocated based on self-certified tribal eligibility per section 2001 of the *Homeland Security Act of 2002*, codified as amended at 6 U.S.C. § 601, and the effectiveness of the applicant's THSGP Investment Justification (IJ), as determined through a Federal review process.

Eligibility

To be eligible to receive THSGP funding, recipients must be directly eligible Tribes. Directly eligible tribes are Federally recognized tribes that meet the criteria set forth in Section 2001 of the *Homeland Security Act of 2002*, as amended (6 U.S.C. § 601). Among these eligibility criteria, a tribe can qualify as a directly eligible tribe if it is located on or near an international border or a coastline bordering an ocean or international waters, along with meeting other required criteria. For FY 2020, tribes located within 100 miles of an international border or a coastline bordering an ocean or international waters satisfy this criterion. Previously, the limit was 50 miles.

Detailed eligibility information is provided in Section C of the FY 2020 Notice of Funding Opportunity (NOFO).

Funding Guidelines

THSGP recipients will be selected for funding through a competitive review process as outlined in the FY 2020 THSGP NOFO. Applicants will receive a 20% increase to their scores for addressing one or more of the following three national priorities in their IJs:

- 1) Enhancing cybersecurity;
- 2) Enhancing the protection of soft targets/crowded places; and,
- 3) Addressing emerging threats (e.g., transnational criminal organizations, weapons of mass destruction [WMD], unmanned aerial systems [UASs], etc.).
