Preliminary Damage Assessment Report

Texas – Hurricane Hanna
Denial of Appeal

Denied on June 1, 2021

On September 3, 2020, Governor Greg Abbott requested a major disaster declaration due to Hurricane Hanna during the period of July 25-27, 2020. The Governor requested Public Assistance for five counties and Hazard Mitigation statewide. On January 13, 2021, the Governor’s request was denied. On May 12, 2021, Governor Abbott appealed the denial. During the period of July 29 to November 25, 2020, joint federal, state, and local government Preliminary Damage Assessments (PDAs) were conducted in the requested areas and are summarized below. PDAs estimate damages immediately after an event and are considered, along with several other factors, in determining whether a disaster is of such severity and magnitude that effective response is beyond the capabilities of the state and the affected local governments, and that Federal assistance is necessary.¹

On June 1, 2021, the Governor’s appeal for a major disaster declaration was denied based on the determination that the damage from this event was not of such severity and magnitude that warrants a major disaster declaration.²

Summary of Damage Assessment Information Used in Determining Whether to Declare a Major Disaster

Individual Assistance – (Not Requested)

- Total Number of Residences Impacted:³ -
  - Destroyed - -
  - Major Damage - -
  - Minor Damage - -
  - Affected - -

- Percentage of insured residences:⁴ -
- Percentage of poverty households:⁵ -
- Population receiving other government assistance such as SSI and SNAP: -
- Percentage of ownership households:⁶ -
- Pre-Disaster Unemployment: -
- Age 65 and older: -
- Age 18 and under: -
- Disability: -
- IHP Cost to Capacity (ICC) Ratio: -
- Total Individual Assistance cost estimate: N/A
Public Assistance

- Primary Impact: Costs associated with debris removal
- Total Public Assistance cost estimate: $24,829,805
- Statewide per capita impact: $0.99
- Statewide per capita impact indicator: $1.55
- Countywide per capita impact: Cameron County ($4.34), Hidalgo County ($17.84), Kleberg County ($1.56), Nueces County ($25.02), and Willacy County ($30.75).
- Countywide per capita impact indicator: $3.89

1 The Preliminary Damage Assessment (PDA) process is a mechanism used to determine the impact and magnitude of damage and resulting needs of individuals, businesses, public sector, and community as a whole. Information collected is used by the State as a basis for the Governor’s request for a major disaster or emergency declaration, and by the President in determining a response to the Governor’s request (44 CFR § 206.33).
2 When a Governor’s request for major disaster assistance under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended (Stafford Act) is under review, a number of primary factors are considered to determine whether assistance is warranted. These factors are outlined in FEMA’s regulations (44 CFR § 206.48). The President has ultimate discretion and decision making authority to declare major disasters and emergencies under the Stafford Act (42 U.S.C. § 5170 and § 5191).
3 Degree of damage to impacted residences:
   o Destroyed – total loss of structure, structure is not economically feasible to repair, or complete failure to major structural components (e.g., collapse of basement walls/foundation, walls or roof);
   o Major Damage – substantial failure to structural elements of residence (e.g., walls, floors, foundation), or damage that will take more than 30 days to repair;
   o Minor Damage – home is damaged and uninhabitable, but may be made habitable in short period of time with repairs; and
   o Affected – some damage to the structure and contents, but still habitable.
4 By law, Federal disaster assistance cannot duplicate insurance coverage. 42 U.S.C. § 5155 and 44 C.F.R. § 206.48(b)(5).
5 Special populations, such as low-income, the elderly, or the unemployed may indicate a greater need for assistance. 44 C.F.R. § 206.48(b)(3).
6 Ibid. 44 C.F.R. § 206.48(b)(3).
7 Based on State population in the 2010 Census.
8 Statewide Per Capita Impact Indicator for FY21, Federal Register, October 1, 2020.
9 Countywide Per Capita Impact Indicator for FY21, Federal Register, October 1, 2020.
