

Communities Eligible for Suspension Effective on October 13, 2022

The [National Flood Insurance Program](#) enables property owners to purchase flood insurance. In return, communities agree to adopt and implement local floodplain management regulations that contribute to protecting lives and reducing the risk of new construction and substantial improvements from future flooding.

Communities Eligible for Suspension

The [Community Status Book](#) lists each participating community’s effective Flood Insurance Rate Map or suspension information. FEMA publishes eligible [community status suspension notices](#) about every two weeks. The states listed have communities with new or revised Flood Insurance Rate Maps which must be adopted by the listed effective date.
