

# How to Achieve Equitable Recovery

**Webinar for Local Officials  
and Leaders**

When disaster strikes, the most vulnerable people and communities suffer the most. That is why the recovery strategy needs to be equitable.

The Federal Emergency Management Agency will host a webinar in Spanish for the newly released **Achieving Equitable Recovery: A Post-Disaster Guide for Local Officials and Leaders**.

The Equity Guide was created to help incorporate diversity, equity, inclusion and accessibility in post-disaster recovery management work.

**When:**

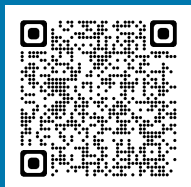

Thursday, March 21, 2024

**Time:**

2-3 p.m. ET

**Registration:**
