SUBJECT: Fiscal Year 2022 Emergency Management Performance Grant
Program Notice of Funding Opportunity

Today, the Federal Emergency Management Agency (FEMA), a component of the Department of Homeland Security, announced the availability of the Fiscal Year (FY) 2022 Notice of Funding Opportunity (NOFO) for the Emergency Management Performance Grant (EMPG) Program. The FY 2022 EMPG Program will provide \$405.1 million in funding to assist state, local, tribal, and territorial governments in developing their emergency management capabilities and for all-hazards preparedness activities. This total funding amount includes \$100,000 from the Disaster Relief Fund that FEMA must make available to the Federated States of Micronesia and the Republic of the Marshall Islands.

Eligible applicants must apply for funding through the Grants.gov portal, accessible on the internet at <http://www.grants.gov>. When applicants apply through <http://www.grants.gov>, applicants must submit the Standard Form 424 in the initial Grants.gov application. The FEMA Non-Disaster (ND) Grants system will retrieve the Standard Form 424 directly from the Grants.gov system and will automatically populate the relevant data fields in the ND Grants application. To allow sufficient time for FEMA to conduct an initial eligibility review of the application prior to the final submission deadline, **applicants are strongly encouraged to begin their initial application in Grants.gov at the time of this announcement** to ensure they have adequate time to start and complete their application submission. Applicants should complete the initial Grants.gov application **no later than seven days before the June 13, 2022, application deadline**. Upon the completion of the initial review, FEMA will determine whether an application is eligible to proceed further and will notify the applicant to complete their submission by fulfilling additional application requirements as needed. Completed final applications in ND Grants must be submitted no later than **5 p.m. ET, June 13, 2022**.

The application must be complete, and only final submissions made through the ND Grants system located at <https://portal.fema.gov> will be accepted. If you, the applicant, need assistance registering for the ND Grants system, please contact ND Grants Help Desk at 1-800-865-4076, Monday through Friday, 9:00 a.m. – 5:00 p.m. ET.

Additional questions may be directed to the Centralized Scheduling and Information Desk (CSID) at askcsid@fema.gov or (800) 368-6498, Monday through Friday, 9:00 a.m. – 5:00 p.m. ET.

A summary of eligible applicants and deadlines is provided in **Table 1** below. Specific allocations for the FY 2022 EMPG Program are listed in **Appendix A**.
