SUBJECT: Fiscal Year 2022 State and Local Cybersecurity Grant Program
Notice of Funding Opportunity

Today, the Federal Emergency Management Agency (FEMA) and Cybersecurity and Infrastructure Security Agency (CISA), both components of the Department of Homeland Security, announced the availability of the Fiscal Year (FY) 2022 Notice of Funding Opportunity for the State and Local Cybersecurity Grant Program (SLCGP). The FY 2022 SLCGP provides \$185,024,690 in federal assistance to State, Local, and Territorial governments to assist with managing and reducing systemic cyber risk. The FY 2022 SLCGP NOFO and may be found online at <http://www.fema.gov/grants> and at <http://www.grants.gov>.

Eligible applicants (State Administrative Agencies) must apply for funding through the Grants.gov portal at <http://www.grants.gov>. When applicants apply through <http://www.grants.gov>, they must submit the Standard Form 424 in the initial Grants.gov application. The FEMA Non-Disaster (ND) Grants system will retrieve the Standard Form 424 directly from the Grants.gov system and will automatically populate the relevant data fields in the ND Grants application.

Applicants are strongly encouraged to begin the application process as soon as possible, including obtaining a Unique Entity Identifier (UEI) number. The UEI, which replaced the Data Universal Numbering System (DUNS) number on April 4, 2022, is a required application element and may take up to four weeks to obtain. Also, FEMA must conduct an initial eligibility review of the application prior to the final submission deadline. Therefore, **applicants are strongly encouraged to begin their initial application in Grants.gov at the time of this announcement** to ensure they have adequate time to start and complete their submission. Applicants should complete the initial Grants.gov application **no later than seven days before**

the November 15, 2022, application deadline. Upon the completion of the initial review, FEMA will determine whether an application is eligible to proceed further and will notify the applicant to complete their submission by fulfilling additional application requirements (e.g., Budget, Investment Justification) required for the FY 2022 SLCGP. Completed final applications must be submitted in ND Grants no later than **5 p.m. ET, November 15, 2022.**

Only final submissions made through the ND Grants system located at <https://portal.fema.gov> will be accepted. If you, the applicant, need assistance registering for the ND Grants system, please contact the ND Grants Help Desk at 1-800-865-4076, Monday through Friday, 9 a.m. – 5 p.m. ET.

Additional questions may be directed to the Centralized Scheduling and Information Desk at askcsid@fema.gov or (800) 368-6498, Monday through Friday, 9 a.m. – 5 p.m. ET.
