

FEMA Grants Outcome (FEMA GO): Print Functionality Instructions

GPD is pleased to announce the release of new functionality and enhancements in [FEMA Grants Outcome \(FEMA GO\)](#) for [Assistance To Firefighters Grants \(AFG\)](#), [Fire Prevention and Safety \(FP&S\)](#), and [Staffing For Adequate Fire And Emergency Response \(SAFER\)](#).

The following instructions are for new functionality for printing applications that have been submitted to FEMA. As an AOR, Organization Member, Financial Member, Programmatic Member, or Grant Writer.

Program(s)	Summary of Functionality Release
AFG/SAFER/FPS	Users can print their organization's grant application, enabling them to review it offline and/or keep it as a record

Please follow the following STEPS:

Complete the grant application (after successful completion) you will be directed to the Grants Landing Page (GLP).

Select the "Application" link from the left navigation panel.

Browser brings you to a "Read-Only" Version of submitted application.

Use keys 'ctrl+p' method to print application.

To help us continuously improve the FEMA GO system please report any system issues to the FEMA GO helpdesk FEMAGO@fema.dhs.gov.
