Vehicle Losses

Vehicle damage due to the Hermit’s Peak/Calf Canyon fire and flooding is eligible for compensation. This includes both vehicle repairs or replacement if your vehicle is a total loss. Below are the preferred document options to submit for vehicle losses.

If you do not have access to any of the documents listed below or are struggling to find them, please still submit your claim. Your Claims Navigator will work with you to find an alternative solution that best fits your situation.

What do I need to claim reimbursement for damages to my vehicle?

1. Ownership
   Provide one of the following recommended documents to prove ownership:
   - Vehicle registration (Preferred)
   - Vehicle title
   - Loan documents
   - A bill of sale

2. Vehicle Information
   Provide readily available information about your vehicle. You can provide this information verbally to your Claims Navigator. Providing as much information as possible will help maximize your compensation, otherwise you will be compensated for the basic make and model of your vehicle.
   - Proof of Insurance
   - VIN
   - License plate number
   - Mileage on the vehicle
   - Any specific upgrades or options
   - Vehicle condition before damages
   - Date and site of vehicle damages

3. Vehicle Damages
   Provide documents that best support your specific type of loss:
   Choose one of the following from your specific loss type to support your claim:

Evacuation costs due to the Hermit’s Peak/Calf Canyon fire and flood event are eligible for compensation. Below are the preferred document options to submit for vehicle losses.

If you do not have access to any of the documents listed below or are struggling to find them, please still submit your claim. You can receive compensation for most evacuation costs with little documentation by opting for the standard rate (#2) estimate. Otherwise, your Claims Navigator will work with you to find an alternative solution that best fits your situation.

What is included in evacuation costs?

- Lodging – Hotel stays, host families, etc.
- Meals and Incidentals – Food, meals, etc.
- Mileage and Gas – Increased mileage and gas
- Specialized Food Items – Elk or other specialized meats
- Increased utility and/or fuel expenses – Increased utility cost, temporary power sources, increased fuel, etc.

What do I need to claim compensation for evacuation costs?

1. **Occupancy**
   The document must include your name, demonstrate you lived in an area impacted by the fire or flood events, and be dated within 1 year prior to the fire.
   - **Provide one:**
     - Utility or other bills *(Preferred)*
     - Leasing/housing agreements, or a declaration from the property owner
     - Pay stubs or other employer documents
     - Rent receipts

2. **Standard Rate Estimate**
   The Claims Office can compensate you for evacuation expenses using a standard rate estimation. Using the standard rate is optional, but it is the easiest way to receive compensation for evacuation costs and requires little to no documentation.
   - Please work with your Claims Navigator to provide the information necessary to use the standard rate. You can provide the following information verbally or in writing. You Claims Navigator will consult with you to ensure the information is fully accurate before it is used to estimate your compensation:
     - List of household members, including their ages
     - Dates and destination of evacuation
     - Total mileage – May include multiple trips to and from evacuation destination
     - Where you stayed during evacuation
     - Any additional notes or details
### Actual Costs
You can also choose to be compensated for actual costs incurred during evacuation instead of using the standard rate or choose to be compensated using a combination of both methods.

If you would prefer to be compensated for actual costs, please use the preferred document options below to support your specific losses. You only need to provide documents for the specific loss categories that apply to you.

Flood Insurance

Residents who have a heightened risk of flood as a result of the Hermit’s Peak/Calf Canyon fire and subsequent flooding events, and did not have or were not required to have flood insurance, are eligible for compensation for flood insurance through two different pathways:

1. Impacted residents in eligible communities can request a new National Flood Insurance Program (NFIP) policy through the Claims Office at no cost which provides up to 5 years of coverage.

2. Request to be reimbursed for flood insurance policies purchased after and because of the Hermit’s Peak/Calf Canyon fire and flooding.

If you do not have access to any of the documents listed below or are struggling to find them, please still submit your claim. Your Claims Navigator will work with you to find an alternative solution that best fits your situation.

What do I need to request a new NFIP Policy?

Submitting a request for a new NFIP policy through the Claims Office is easy and highly recommended. Eligible residents will receive five total years of coverage at no cost with annual renewal notices sent directly from the NFIP.

Please submit all NFIP requests to the Claims Office by March 1, 2024

A completed Flood Insurance Assessment

This assessment will be conducted by your assigned Navigator, and the information provided will inform your NFIP premium and coverage amounts. Below are examples of the type of information that will be requested to complete the assessment.

- Property address or location
- Occupancy type
- Construction type
- Number of floors
- Square footage
- Foundation type

What do I need to request reimbursement for flood insurance?

Policy Documents

Provide a copy of your flood insurance policy (known as the “declaration page”) which includes dates of coverage and the policy expiration date.

Premium Payment

Provide one of the following documents to verify that you paid the premium:

- Receipt of payment from the insurance carrier (Preferred)
- Credit card or bank statement showing the payment made to the insurance carrier

Risk Reduction

Risk reduction efforts due to the Hermit’s Peak/Calf Canyon fire and flooding event are eligible for compensation. Below are the preferred document options to submit for agricultural losses. If you do not have access to any of the documents listed below or are struggling to find them, please still submit your claim. Your Claims Navigator will work with you to find an alternative solution that best fits your situation.

What do I need to claim advanced payment or reimbursement for risk reduction?

1. **Risk Reduction Proposal or Completed Plan**

   Risk reduction proposals can be completed by a claimant or their licensed contractor. Provide documents that best support your specific risk reduction proposal situation:

   **Risk Reduction Proposal**
   
   For Future Projects
   
   The proposal must include the following:
   - A complete description of the work, including an explanation of the risk or hazard to be mitigated and how this risk is connected to the Hermit’s Peak/ Calf Canyon fire and flooding event.
   - Itemized list of project costs including project milestones and completion date

   *Remember that all risk reduction projects must be complete by November 14, 2026*

   **Completed Risk Reduction Plan**
   
   For Completed Projects
   
   If you’ve already completed a risk reduction project on your property, please provide the following information:
   - A complete description of the work, including an explanation of the risk addressed and how the risk is connected to the Hermit’s Peak/Calf Canyon fire and/or subsequent flooding
   - An invoice or estimate with itemized project costs

2. **Contractor Information (if applicable)**

   If the project requires work to be performed by a contractor, please provide the contractor’s information for verification:
   - Contractor’s license number (this can be accessed or verified through the NM State Regulation and Licensing Division Web verification site: www.rld.nm.gov)
   - Contractor’s phone number and Business address

   *If you have a contractor’s license and wish to perform the work yourself, please still provide this information to the Claims Office.*

3. **Necessary Permit(s) (as applicable)**

   Projects follow all applicable current local building codes and standards for any activities that involve rebuilding or repair of a structure and its components.
   - Provide copies of any building or construction permits. These should include final signoffs by local inspection officials if project has already been completed.

Hosting Evacuees

Those who hosted evacuees due to the Hermit's Peak/Calf Canyon fire are eligible for reimbursement of donations. Below are the preferred document options to submit for hosting evacuees. Donations for Hosting Evacuees are only eligible between April 6, 2022, and November 14th, 2022.

If you do not have access to any of the documents listed below or are struggling to find them, please still submit your claim. You can receive compensation for most evacuee hosting costs with little to no documentation by opting for the standard rate. Otherwise, your Claims Navigator will work with you to find an alternative solution that best fits your situation.

What may be included in costs for hosting evacuees?

✓ Increased Food Costs – Food, meals, other grocery items
✓ Increased Mileage and Gas – Increased mileage and gas usage from temporary lodging
✓ Increased Utility Costs – Increased utility cost, temporary power sources, increased fuel, etc.
✓ Other Increased Costs – Equipment, textiles, supplies purchased to host evacuees, etc.

What do I need to claim compensation for hosting evacuees?

Use the Standard Rate

The Claims Office can compensate you for costs associated with hosting evacuees using a standard rate estimation. Using the standard rate is optional, but it is the easiest way to receive compensation for costs associated with hosting evacuees and requires little documentation. You should still bring any receipts, quotes, bills, or any other documents that you have available to include with your claim.

If you have documentation for losses that exceed the standard rate amount, please talk to your Navigator. The Claims Office seeks to maximize the amount of compensation it can provide to each claimant for eligible losses. To use the Standard Rate, provide the following:

Signed Evacuee Hosting Information Worksheet

Your Navigator will complete this worksheet based on information you provide, and the estimates provided by the Claims Office standard rates. You will then verify and sign the worksheet. Be prepared to provide the following information:

❑ Name, age, and gender of all evacuees hosted
❑ Dates of hosting
❑ Any specific additional supplies purchased for hosting and their costs

Smoke and Ash Cleaning

Smoke and ash cleaning for structures and/or contents impacted due to the Hermit’s Peak/Calf Canyon fire are eligible for compensation. Below are the preferred document options to submit for smoke and ash cleaning activities.

If you do not have access to any of the documents listed below or are struggling to find them, please still submit your claim. Your Claims Navigator will work with you to find an alternative solution that best fits your situation.

What is included in smoke and ash cleaning?

✓ Costs related to cleaning smoke and ash from structures (such as pressure washing, painting/repainting, re-staining or finishing, carpet replacements, HEPA vacuuming, general cleaning, etc.)
✓ Costs related to replacing or cleaning smoke and ash from contents (such as replacing furniture, insulation, etc.)

What do I need to claim reimbursement?

Ownership or Occupancy

Documentation must be provided to prove that you owned property within or lived within the communities impacted by the fire. Documentation must include your name, verify the damaged residence address, and be dated within 1 year prior to the fire. Choose either Option A or Option B below:

Option A: Proof of Ownership

If you are a property owner and want to request smoke and ash cleaning compensation for your structure(s) and contents, at least one of the following documents is required.

- Tax records (Preferred)
- Mortgage documents
- A copy of deed(s)

Option B: Proof of Occupancy

If you are a tenant of an impacted residence and would like to request contents cleaning compensation, at least one of the following documents is required:

- Utility or other bills (Preferred)
- Rent receipts
- Leasing/housing agreements, or declaration from the property owner(s)

Documentation of Damages and Costs

You should bring any readily-available documentation you have related to smoke cleaning and/or costs required due to smoke and ash damage. Although not required in all cases, receipts, documents from property insurance claims, estimates, and photos can help the Claims Office maximize your compensation.

The Claims Office has estimated the area that experienced the greatest smoke impacts and may request that you provide photos or documents to prove the damages and/or costs you sustained to make sure all costs are considered in your compensation.
Smoke and Ash Cleaning Worksheet

The Claims Office seeks to maximize compensation for claimants and understands that each claim is unique. To fully compensate claimants for smoke and ash cleaning, The Claims Office has developed a calculation to quickly estimate these losses.

Please work with your assigned Navigator to complete the Smoke and Ash Cleaning Worksheet, which provides the required information to calculate your compensation estimate. Be prepared to provide the following information about your property/residence:

1. List of Structures
   - Please provide a list of structures that you are requesting compensation for cleaning costs, including residences and any other detached structures on the impacted property.

2. Estimated Square Footage
   - Please estimate the total square footage of the residence and any other detached structures on the impacted property.

3. Number of Floors in Residence/Structures
   - Please provide the number of floors for the residence and any other detached structures on the impacted property.

4. Property Co-owner Information and Signature
   - Please review, approve and sign the worksheet. This allows for your Navigator and the Claims Office to process compensation for smoke and ash cleaning.
   - NOTE: If the property is co-owned, all the co-owners’ contact information and signature is required on the Smoke and Ash Cleaning Worksheet.
