Hermit's Peak/Calf Canyon Claims Office

Intent to Proceed Without Participation of Counsel

I, _____, filed a Notice of Loss with Hermit's Peak/Calf Canyon Claims Office (Claims Office) for losses resulting from the Hermit's Peak/Calf Canyon fire through my designated third-party representative and/or attorney (hereafter "my representative"), as identified below.

The Claims Office informed me that my representative is acting on my behalf on the claim and that the Claims Office is prepared to proceed with my representative on the Proof of Loss and other documentation needed for my claim. The Claims Office also recommended I contact my attorney to inform them that I am working directly with the Claims Office on my claim, or a portion thereof. With full knowledge that I am represented on my claim and of the facts related to the representation, I nonetheless would like to discuss my claim or portions thereof directly with the Claims Office. I acknowledge that the Claims Office is not privy to my agreement with my representative and that I may owe fees associated with my claim to my representative, even if I personally and individually negotiate a settlement of my claim or a portion thereof directly with the Claims Office without the assistance of my representative.
