**Grant Programs Directorate  
Information Bulletin No. 464  
July 16, 2021**

**MEMORANDUM FOR:** All State Administrative Agency Heads  
All State Administrative Agency Points of Contact  
All Urban Area Security Initiative Points of Contact  
All State Homeland Security Directors  
All State Emergency Management Agency Directors  
All Eligible Regional Transit Agencies  
All Private Sector Transportation Security Partners  
All Public and Private Sector Port Security Partners  
All Tribal Nation Points of Contact

**FROM:** Christopher P. Logan   
Acting Assistant Administrator  
Grant Programs Directorate

**SUBJECT:** Fiscal Year 2021 Preparedness Grant Programs  
Final Allocation Announcement

The Federal Emergency Management Agency (FEMA), a component of the Department of Homeland Security (DHS), is announcing the final awards and allocations under the Fiscal Year (FY) 2021 preparedness grant programs. These are:

- Homeland Security Grant Program (HSGP)
  - State Homeland Security Program<sup>1</sup>
  - Urban Area Security Initiative<sup>1</sup>
  - Operation Stonegarden
- Emergency Management Performance Grant (EMPG) Program, including American Rescue Plan Act funding<sup>1</sup>
- Tribal Homeland Security Grant Program (THSGP)
- Nonprofit Security Grant Program (NSGP)
- Port Security Grant Program (PSGP)
- Transit Security Grant Program (TSGP)
- Intercity Passenger Rail (IPR) Program – Amtrak<sup>1</sup>
- Intercity Bus Security Grant Program (IBSGP)

---

<sup>1</sup> Final allocations for these programs were announced on February 25, 2021 and April 15, 2021 as part of the Notices of Funding Opportunity release.

The total amount of funds allocated for the FY 2021 Preparedness Grant Programs announced in this Information Bulletin is \$1,970,100,000.<sup>2</sup>

### **FY 2021 Homeland Security Grant Program (HSGP)**

The HSGP includes a suite of risk-based grants to assist state, local and tribal efforts in obtaining the resources required to support the National Preparedness Goal's associated mission areas and core capabilities to build a culture of preparedness. The grants included under HSGP are:

*State Homeland Security Program (SHSP)*<sup>3</sup>. The SHSP provides \$415 million to support the implementation of state homeland security strategies to address identified planning, organization, equipment, training, and exercise needs to prevent, protect against, prepare for, and respond to acts of terrorism and other catastrophic events. SHSP also provides funding to implement initiatives based on capability targets and gaps identified during the Threat and Hazard Identification and Risk Assessment (THIRA) process and assessed in the Stakeholder Preparedness Review (SPR) (See Table 1).

*Urban Area Security Initiative (UASI)*<sup>3</sup>. The UASI Program provides \$615 million to address the unique planning, organization, equipment, training, and exercise needs of high-risk urban areas, and assists them in building an enhanced and sustainable capacity to prevent, protect against, prepare for, and respond to acts of terrorism (See Table 2).

*Operation Stonegarden (OPSG)*. OPSG provides \$90 million to enhance cooperation and coordination among local, tribal, territorial, state, and Federal law enforcement agencies in a joint mission to secure the United States' borders along routes of ingress from international borders, to include travel corridors in states bordering Mexico and Canada, as well as states and territories with international water borders (See Table 3).

### **FY 2021 Emergency Management Performance Grant (EMPG) Program**

The EMPG Program provides \$355.1 million to assist state, local, tribal, and territorial governments in preparing for all hazards. This funding amount includes \$100,000 from the Disaster Relief Fund that FEMA makes available to the Federated States of Micronesia and the Republic of the Marshall Islands. The American Rescue Plan Act (ARPA) of 2021 provides \$100 million in additional funding (See Table 4).

---

<sup>2</sup>The following FY 2021 grant programs are not part of this announcement and will be awarded separately: Assistance to Firefighters Grant (AFG) Program (\$324 million), AFG-ARPA Program (\$90 million), Staffing for Adequate Fire and Emergency Response (SAFER) Grant Program (\$360 million), SAFER-ARPA Program (\$200 million), Fire Prevention and Safety (FP&S) Grant Program (\$36 million), FP&S-ARPA Program (\$10 million), Regional Catastrophic Preparedness Grant Program (\$12 million), and Presidential Residence Protection Assistance Grant Program (\$12.7 million). The ARPA-related programs will be included as part of the regular FY 2021 announcements for the AFG Program, SAFER Program, and FP&S Program.

<sup>3</sup>Per section 2006 of the *Homeland Security Act of 2002* (codified as amended at 6 U.S.C. § 607), DHS/FEMA is required to ensure that at least 25 percent of grant funding appropriated for grants awarded under HSGP's authorizing statute are used for law enforcement terrorism prevention activities. DHS/FEMA meets this requirement, in part, by requiring all SHSP and UASI recipients to ensure that at least 25 percent of the combined HSGP funds allocated under SHSP and UASI are dedicated towards law enforcement terrorism prevention activities (LETPA), as defined in 6 U.S.C. § 607. The LETPA allocation can be from SHSP, UASI, or both. Since the majority of OPSG funds are already used for law enforcement terrorism prevention activities, this is not an additional requirement for OPSG.

### **FY 2021 Tribal Homeland Security Grant Program (THSGP)**

The THSGP provides \$15 million directly to eligible tribes to help strengthen the nation against risks associated with potential terrorist attacks by helping eligible tribes in obtaining the resources required to support the National Preparedness Goal's mission areas and core capabilities as they apply to tribal lands (See Table 5).

### **FY 2021 Nonprofit Security Grant Program (NSGP)**

The NSGP provides \$180 million in funding support for target hardening and other physical security enhancements and activities to nonprofit organizations that are at a high risk of a terrorist attack. Of this amount, \$90 million in funding is available to nonprofit organizations located within one of the FY 2021 UASI-designated high-risk urban areas (NSGP-Urban Area or NSGP-UA) (See Table 6). In FY 2021, additional, separate funding in the amount of \$90 million is also appropriated for nonprofit organizations located outside of FY 2021 UASI-designated high-risk urban areas (NSGP-State or NSGP-S) (See Table 7). The intent of both the FY 2021 NSGP-UA and NSGP-S programs is to competitively award grant funding to assist nonprofit organizations in obtaining the resources required to support and integrate the preparedness activities of nonprofit organizations that are at high risk of a terrorist attack with broader state and local preparedness efforts. The programs seek to integrate nonprofit preparedness activities with broader state and local preparedness efforts. They are also designed to promote coordination and collaboration in emergency preparedness activities among public and private community representatives, as well as state and local government agencies (See Tables 6 and 7).

### **FY 2021 Port Security Grant Program (PSGP)**

The PSGP provides \$100 million for transportation infrastructure security activities to implement Area Maritime Transportation Security Plans and facility security plans among port authorities, facility operators, and state and local government agencies required to provide port security services. The intent of the FY 2021 PSGP is to competitively award grant funding to assist ports in obtaining the resources required to support the development and sustainment of core capabilities identified in the National Preparedness Goal of a secure and resilient nation (See Table 8).

### **FY 2021 Transit Security Grant Program (TSGP)**

The TSGP provides \$88 million to the nation's public transportation agencies serving historically eligible UASI-designated high-risk urban areas for enhancement of security measures at critical transit infrastructure including bus, ferry, and rail systems. The intent of the FY 2021 TSGP is to competitively award grant funding to assist public transportation agencies in obtaining the resources required to support the development and sustainment of core capabilities identified in the National Preparedness Goal of a secure and resilient nation (See Table 9).

### **FY 2021 Intercity Passenger Rail (IPR) Program – Amtrak**

The IPR provides \$10 million to Amtrak to develop security enhancements for eligible intercity passenger rail operations. The intent of the FY 2021 IPR is to grant funding to assist the Amtrak rail system in obtaining the resources required to support the National Preparedness Goal's associated mission areas and core capabilities. Amtrak is the only recipient under the IPR program.

**FY 2021 Intercity Bus Security Grant Program (IBSGP)**

The IBSGP provides \$2 million to owners and operators of intercity bus systems providing service to, from, or through historically eligible UASI-designated high-risk urban areas to protect critical surface transportation infrastructure and the traveling public from acts of terrorism and to increase the resilience of transit infrastructure. The intent of the FY 2021 IBSGP is to competitively award grant funding to assist these owners and operators in developing the capabilities necessary to support the National Preparedness Goal of a secure and resilient nation (See Table 10).

**FY 2021 State Homeland Security Program (SHSP) Allocations
