

Applying for FEMA Funding – COVID-19

Government and non-profit organizations may be eligible to receive assistance for COVID-19 work under FEMA's Public Assistance program. Here's how to apply.

1 **Submit a Request for Public Assistance at grantee.fema.gov.**  The deadline to submit a Request for Public Assistance (RPA) to sign up with FEMA as an Applicant is July 1, 2022.

2 **Submit Claims by filling out a project application at grantee.fema.gov. Select Applicant Event Level Profile to begin the application.**  The deadline to submit claims for any work performed from January 20, 2020 through July 1, 2022 is December 31, 2022.

3 **Organizations may continue to submit claims for work performed after July 1, 2022.**

4 **Final reconciliation and project closeout will take place after funding is awarded and work for that project is complete.**

For more information, visit grantee.fema.gov or call the Public Assistance Hotline, (866) 337-8448.
