If you use a relay service, such as video relay, captioned telephone or other service, give FEMA your number for that service.

Homeowners, renters, businesses, and nonprofit organizations can apply for long-term, low-interest disaster loans from the U.S. Small Business Administration (SBA) to cover losses not fully compensated by insurance and other sources. Apply online using the Electronic Loan Application (ELA) via the SBA's secure website at sba.gov/disaster.
