Survivors can go online to [DisasterAssistance.gov](https://DisasterAssistance.gov), call 800-621-3362 or use the [FEMA mobile app](#) to apply. If you use a relay service, such as video relay, captioned telephone or other service, give FEMA your number for that service.

Homeowners, renters, businesses, and nonprofit organizations can apply for long-term, low-interest disaster loans from the U.S. Small Business Administration (SBA) to cover losses not fully compensated by insurance and other sources.
